I have read and understand the CSU VA Enrollment Certification Request Form. I certify that all courses are applicable to my degree program and meet VA requirements. I agree to promptly notify the Certifying official and VA of any changes in my credit hours. I understand that completion of this form assures me of enrollment certification with the Department of Veterans Affairs, but does not guarantee payment from the VA. Payment depends on my being enrolled in an approved program, my not owing money to the VA for overpayment and my compliance with all other VA regulations. I further understand that any information on this form or in my University record may be shared with the VA at its request.

CSU VA ENROLLMENT CERTIFICATION REQUEST INSTRUCTIONS

1. Enter the term and year for which you are requesting enrollment certification. Note that the Department of Veterans Affairs (VA) requires certification of enrollment for each term for which you wish to receive benefits. The earliest that your enrollment may be certified for the academic year is June 15th. However, you must be officially registered for classes before a certification can be submitted for the term of the request.
2. Enter your declared major.
 - a. You may enter your intended major, provided that you comply with the following requirement: The Department of Veterans Affairs requires all students pursuing a bachelor's degree to declare a major by the end of the sophomore year.
 - b. If you are a visiting student, write the name of your home institution in this space. Submit the form along with the permission to enroll in this institution.
 - c. Non-matriculated students may acquire up to 12 college-level credits as a non-degree student as long as he/she is pending admission to a degree-seeking program.
3. If you have used your benefits at another institution of higher learning (IHL), please indicate it. The certifying official will be able to adopt your existing biographical information from Enrollment Manager.
4. If you are receiving Chapter 30, 1606, or 1607 benefits, you must also verify your attendance [using WAVE] with the VA at the end of each month in addition to submitting this form. Log onto www.gibill.va.gov/wave/index or by calling (877) 823-2378.
5. First-time Post-9/11 GI Bill recipients must attach their Certificate of Eligibility (COE). If you have not yet been issued a COE, submit it to the CSU Certifying Official as soon as you receive it. The COE is issued by the VA to an applicant once their benefits have been activated for an approved program of study at a specified IHL.
6. Enter a VA file number if you are a first-time user for the Chapter 35 benefit. This number is generally the Social Security Number of the sponsoring veteran. The sponsoring veteran has a 100% service-connected disability.
7. List all courses for which you are currently enrolled. VA regulations exclude Post-9/11 GI Bill students studying half-time or less and/or enrolled in distance-learning ONLY courses from receiving BAH payments.
8. Only courses that did not meet the minimum requirements for graduation when taken the first time may be certified for VA purposes if they are repeated.

Additional Information:

- ✓ Students transferring to CSU who have accessed their education benefits at another IHL must submit **VA form 22-1995, Request For Change of Program or Place of Training** or **22-5495, Request for Change of Program or Place of Training Survivors' and Dependents' Educational Assistance** (Ch 35). You can also complete both forms on-line at <https://www.va.gov/education/change-gi-bill-benefits/>
- ✓ All Education Abroad programs must be pre-approved by the VA. Students interested in studying abroad must submit a copy of the Abroad Eligibility Review form when submitting the VA Request for Enrollment Certification form.
